Climate Control

Finesse has reversible Air Conditioning and Central Heating throughout with individual temperature control.

Computer and Telephone

Wi-Fi is available for guests' bringing their own appliances, however, there are some moorings where connection to the internet can be slow and sometimes when the barge is cruising the connection is not possible because the barge is out of signal range.

There is also a Computer available in the Salon for guest use.

There is no passenger telephone available on Finesse.

Currency

The local currency in France is the Euro. We are unable to accept credit or debit cards on board.

Cycling & Walking

The on board bicycles are available for use as often as you wish. Most guests choose to disembark the barge at a lock and visit local villages, returning to the canal and meeting the barge a little further along. The barge travels very slowly and therefore catching up is not a problem.

There are 8 adult size folding bikes each with 5 gears and low tube / cross bar. Cycle helmets are provided on board. Specialist bicycles, children's bikes and child bike seats can be arranged if required. Please contact our Reservation Team at least 8 weeks prior to your departure.

Because the barge cruises at a slow pace, walking is a popular activity.

Dining Room & Saloon

Room Size: 15ft x 44ft (4.57m x 13.41m), the height is 6ft 8" (2.03m).

The dining area has a large dining table, seating all 8 guests at a single sitting. The design compliments the contemporary modern look of Finesse. An open Demonstration Kitchen Galley allows guests to watch as the Master Chef prepares the meals, sharing his recipes and demonstrating his techniques.

A fully stocked wine fridge and bar completes the area.

The saloon is furnished with contemporary leather sofas and suede and fabric armchairs, all upholstered in Alcantara and there is oak flooring throughout.

Large floor to ceiling windows stretch the entire length of the barge, allowing plenty of light and the beautiful scenery to be appreciated.

Electricity

The barge is wired for 220 and 240 volts (not 110 volts).

We recommend you bring an adapter for your particular appliances, which correspond to the standard French 2-pin plugs.

If you wish to use an electrical appliance, please ask one of the crew when you arrive on board to ensure that it is suitable for the barge's electrical system.

European Waterways cannot be held responsible for unforeseen voltage fluctuations which sometimes occur when swapping from one voltage system to another.

Excursions

Finesse has a 9-seater (including driver) air conditioned Mercedes Sprinter van.

For charter bookings, the itinerary can be adapted to suit your group's particular needs. If a destination or excursion is within a reasonable distance of the barge, we will do everything we can to arrange it. Please speak with our Reservations Team in advance of your cruise and we can pre-arrange with the Captain.

Any guests not wishing to participate in an excursion are welcome to remain on the barge.

However, it is most important that we are notified of any specific requirements at least 8 weeks prior to your departure date. Failure to notify European Waterways in advance of your cruise may result in disappointment on board.

There is no assigned seating for meals and the dining table on board Finesse accommodates all guests at a single sitting.

Breakfast: Usually continental with fresh breads, pastries, jams, fruit, cereals, yoghurts, freshly squeezed orange juice, teas and coffee. A hot option is usually offered from the galley.

Drinks not included in the cruise price: Some champagnes and special vintage wines are not included, although you may purchase bottles at cost price, if you let us know in advance how many of each you require. We do not recommend special ordering unless you are chartering the whole barge.

Hot Air Ballooning

Once on board, the Captain can arrange this directly with the hot air balloon company on your behalf. Flights usually last between 1 and 1½ hours and are weather dependent. The cost is approximately 250 Euros per person. You will need to contract and pay the balloon company directly on the day of the flight (they do accept credit cards).

Kindly advise our Reservations team in advance if you are interested in ballooning. The main balloon operators we work with are Air Escargot www.air-escargot.com and France Montgolfieres www.franceballoons.com

Laundry

We recommend you bring sufficient clean clothing for your cruise as there are no laundry facilities on board. However, the crew may be able to assist in an emergency on a request basis.

Luggage / What to pack

Please try and fit everything for your cruise into one reasonably sized suitcase per person. Soft bags are preferable.

Practical comfort and casual clothing is the norm aboard Finesse and for most excursions. The dress code for dinner

is relaxed and informal. For the Captains Dinner on the final evening, guests often dress-up which is optional.

The weather in Burgundy is generally warm. June, July, and August is the warmest often being in the mid 30's.

Suggested things to pack:

Light clothing including shorts and T-shirts. A sweater or lightweight jacket is recommended for evenings and the air-conditioned interiors.

During spring and autumn, you may need medium weight clothing. A lightweight raincoat for showery times would be advisable. In summer, a sun hat can be useful.

Comfortable walking shoes with textured non-slip soles are recommended.

Finesse has a spa pool so don't forget your swim wear, towels are provided.

Medical

Please let us know in advance of your cruise if you require frequent or ongoing medical attention.

The crew are unable to administer medicines but can accompany you to a pharmacy for you to purchase any necessary medicines. Due to your cruise often being in a rural location, we recommend you bring all necessary medication with you.

Doctors are usually not far away for an urgent consultation and the Emergency Services can be called if required.

Problem during your Cruise

If you have a problem during your cruise, please give us the immediate opportunity to make things right. Please bring any concern to the private attention of your Captain who will often be able to solve any issue immediately.

Restricted Mobility

Please let us know in advance of your cruise if you have a physical disability and require any assistance.

Because of the steps on board, Finesse is not really suitable for wheelchair bound guests. There are 2 steps from the access ramp to the deck, and the toilets are on the lower deck in the cabins, so a visit to the restroom requires a minimum of 11 steps up and down.

Wheelchairs cannot be used on board and can only be used to assist on excursions where there are often cobbled streets. Sometimes rough ground may hinder a wheelchair.

If you would like us to provide a wheelchair for your arrival, please notify our Reservations Team at the time of booking. There is no charge for the wheelchair but passengers must

be accompanied by someone who is able to push the chair as the crew are unable to assist.

Once you are on board, your Captain will talk you through the Cruise Safety Procedures. Safety Instructions are detailed on the last page of this document.

Please note that European Waterways cannot be responsible for any valuables that you bring on board. We strongly recommend that you do not bring valuables with you unless required and that you ensure that all valuables are covered by your travel insurance.
